**About Young Invincibles':**

Young Invincibles ("YI") is a non-profit working to expand opportunity for young Americans ages 18 to 34 and amplify the voice of our generation in the national political conversation. Founded by and for young adults in the summer of 2009 during the debate over health care reform, YI has quickly grown into a leading voice for young people on the issues health care, higher education and employment. The organization has achieved major successes in areas ranging from the regulation of college health plans to Pell grants, and has successfully engaged hundreds of thousands of young adults online, through a network of over 100 partner organizations.
