

FIRST DEMOCRATIC DEBATES

B I N G O

Actually uses a version of the phrase “back in my day...”	The college admissions scandal	A plan for universal health coverage	A candidate saying the word “hashtag”	“Millennials”
Someone talks about how to address structural racism	Medicaid	Someone completely avoids answering the question asked	The DREAM Act/DACA	Has a plan for fixing stagnant wages for young people
Apprenticeships	Talking about the wealth gap between younger & older Americans	FREE SPACE	“The American People”	Sharing a plan about student loan repayment or forgiveness
Talking about barriers to student voting	Shares some of their personal higher ed story	Talking about student parents	“Gen Z”	“Young Voters”
Someone makes an awkward or cheesy joke	Talking about plans for their first day in office	A forced pop culture reference	Assumption about young adult spending habits	Ideas for ways to fix/strengthen our current health care system
